### MONEYSENSE WORKSHOPS

Last week, Year 5 and 6 participated in Moneysense workshops with a team of volunteers. These volunteers, all employees from the Natwest bank, came into school over two days to support the 'It's party time!' sessions.

The children had to plan and budget for a birthday party and were given advice from the volunteers about making sensible money choices and decisions. The volunteers were full of praise for our children and commented upon how well behaved they are.

At the end of the workshops, children were presented with certificates and goody-bags.

#### Team Points

This term the team points awarded so far are:-

Blue: 698

Red: 698

Yellow: 587

Green: 634

Jack from Year 6 said "The people who came in from the bank gave us lots of help with our tasks."

Year 6 SATs are happening this week. A breakfast club for Year 6 children will be held in the Annexe from Monday — Thursday.

## Online Safety Tip

As a school we regularly use ThinkUKnow.co.uk (National Crime Agency's CEOP Command website) in helping us teach online safety messages to children.

They have a programme for children who are aged 8-10 years old called 'Play Like Share.' Go to:

<https://www.thinkuknow.co.uk/parents/playlikeshare/>

Find out how you can watch the 'Play Like Share' video together and then have a discussion with them about what they like to do on the internet and whether they are following safe practices. Remember the more conversations you have with your child, the more open they will be with you.

### Attendance

KS1 - Class 1G - 98.6%

KS2 - Class 3A - 99.3%

### Punctuality

It is important that all children arrive in class by ten to nine.

This week there were no classes awarded the punctuality rosettes.
