### What we say to young children:

If you feel upset about anything you have seen on the computer or if someone has said something which makes you feel bad or funny inside – you need to tell your mum, dad or whoever looks after you at home.

You can also talk to your teachers if anything is upsetting you and they will help you.

**The most important thing is to remember is to tell a grown up you like and trust if you are unhappy or scared about anything.**

# Phase News from Year 5 and Year 6

## Year 5

### **Drama presentation of the text-“Charlotte’s Web” by E.B.White**

All the children have been reading and discussing this amazing book and are totally captivated by the story. They have written play scripts, answered comprehension questions, written letters, conducted debates and created comic strips based on the issues and plot within the text.

The children enjoyed an afternoon of drama presentation showcasing their acting skills - we definitely have some stars of the future! The year 5 teachers will share the videos with other classes across the school. Excellent work year 5!

## Year 6 - SATs Week 2018

National KS2 SATs begin this week.

The children are ready and prepared for these, they know what

they need to do and we are sure they will do their best. The only preparation they will need over the next few

days is to have good night's sleep. As an extra treat during this week children in year 6 are coming to school at 8:30 for toast and a drink.

## Parent Message:

### DOGS -

Unfortunately, we are still getting a few parents who think that it is OK to bring dogs onto the playground because they are carrying them. We have to be fair and consistent to all dog owners, therefore we do not allow **any** dog, carried or walked, onto the playground. The following sign will be placed on the gates outside school so that the message is clear for all parents, carers or visitors.
