

PENNYHILL POST

Pennyhill Primary School Newsletter

26th June 2017

In Nursery, we have been learning all about people who help us in our community.

Team Points:

Blue Team: 43

Red Team: 48

Yellow Team: 29

Green Team: 42

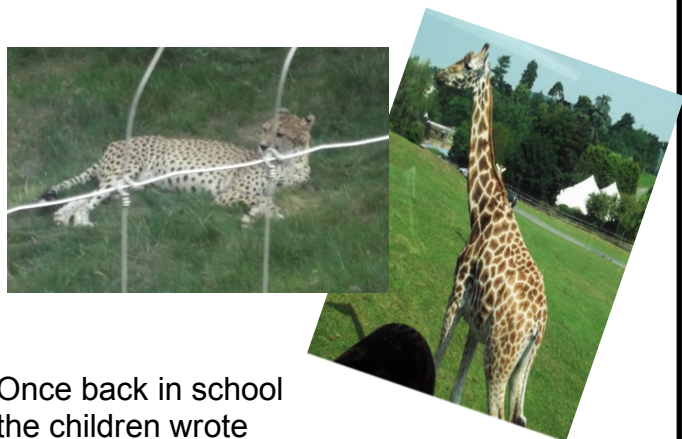

This week we have found out how vets look after animals.

We have been discussing our favourite pets, finding out what they need and how we can care for them.

The children have recreated their own experiences through role play, art and stories.

Reception children visited West Midlands Safari Park. They had a fabulous day looking at different animals from around the world. Although it was very hot on both days the children really enjoyed the visit and teachers said how polite and well behaved they were too! Some of the children were so exhausted that they soon fell asleep on the way home!

Once back in school the children wrote super sentences about the animals they had seen.

Attendance

Whole School 96.2%

KS1 1H—98.2%

KS2 5R—98.2%

Perfect Punctuality

6E - Mr Elliman/ Miss Woolvin

6R - Mr Treadwell

Online Safety Tip

Further to our online safety tip on last weeks newsletter, it has been brought to our attention that some children are still accessing some of the apps that are not regarded as suitable or safe.

Sandwell Safeguarding Board are also advising parents to be aware of Monkey and Yellow apps.

Reminder:

THINKUKNOW.co.uk is an excellent site for parents, children and schools giving practical advice on how to keep safe online.

They have leaflets available to download that give parents facts about different types of programs children may use; possible problems that may occur whilst using them and how to set parental controls to keep children safer.

They can be found at:

<https://www.thinkuknow.co.uk/parents/Support-tools/How-to-guides/>

If you cannot access the guides please talk to one of the Assistant Heads or one of our Learning Mentors.

Dates for your diary
