News from Phase 3/4

We would like to say a huge thank you to all our children for completing the first half term with such a positive attitude.

The children are fully involved in their learning and always look happy in their classrooms, around the school and at playtimes. We have introduced playground buddies to ensure all children have somebody to play with during playtimes. Representatives from each class actively support children across the school, making sure playtime is fun and enjoyable.

Children are thoroughly enjoying other curriculum areas. In Religious Education lessons they are enjoying participating in lots of drama activities and during music lessons they are encouraged to practice different performances, showcasing their talents to each other. In Computing lessons they are learning how to use different programs: A boy in Year 3 said, "I really like when it's Thursday because I like doing Scratch on the laptops."
