

Pennyhill Primary School

Primary PE and School Sports Premium Funding Overview

2017-2018

This government are continuing to fund physical education in primary schools in order to develop the provision of PE and sport and to encourage healthy active lifestyles for all primary aged children. The level of funding provided to schools is based on pupil numbers recorded in the annual school census.

At Pennyhill Primary School we continue to pride ourselves on the range of opportunities that are available to allow our children to engage in a wide range of physical activities, not only as part of the children's curricular lessons but also through lunchtime and after school clubs.

This academic year we will receive approximately £10,350 Sports Premium Funding.

As a school we will use this funding to:

- Develop the quality of teaching and learning in PE across the school through training and up-skilling staff to plan and deliver PE lessons
- Give all children, including the least active, the opportunity to take part in a range of planned physical activities that promote leading an active and healthy lifestyle.
- Develop the large playground area so that all children have access to physical activity resources and games during their recreational time.

After communicating with the staff and pupils at Pennyhill Primary School, the **PE and School Sports Premium** funding for 2017-2018 will be used for:

Description	Estimated cost	Proposed Impact
Teacher/co-ordinator release time Subject co-ordinator release time to analyse data, provide planning support, observing lessons, leading pupil conferences, organising clubs and co-ordinating competitions.	£1000	Providing teachers with CPD opportunities through team teaching with specialist coaches and planning support. Some teachers will also have the opportunity to gain sports related qualifications to develop their skills and knowledge of sports. Teachers will become more confident to plan and deliver high quality PE lessons. Children will receive a broad, balanced and enriched curriculum.
Transport	£1250	Increased opportunity for A and B teams to attend a range of inter-school competitions around Sandwell and the Black Country.

<p>Resources Practical resources, equipment and playground markings to be used for PE lessons and recreational games.</p> <p>Resources and playground markings to develop activity areas in the large playground.</p> <p>Planning publications to be purchased</p>	<p>£2000</p>	<p>The children will have a wide range of high quality PE and active play resources to use for PE lessons school clubs and during recreational activities throughout the school day</p> <p>The playground development will allow more children the opportunity to take part in a range of increased physical activities.</p> <p>The playground development of areas and activities will allow for all children to be active for longer,</p>
<p>Medals/Trophies/certificates/stickers</p>	<p>£100</p>	<p>Incentives and celebrations of achievement - to be allocated for children who compete in sports/activities/competitions.</p>

More clubs and recreational activities will be available to the children throughout the school day</p> <p>Tem teaching allows staff to gain first hand experiences of new sports and increases their knowledge and understanding of how to plan for progress and develop the skills needed for the sport.</p>

As well as the items listed above, here at Pennyhill Primary School we also aim to offer a range of additional sporting opportunities to raise the profile of PE and increase the activity levels of our pupils. This includes;

- Sports Crew – 24 children from KS2 meeting each half term to plan, organise and develop sporting activities across the school.
- School Games competitions and intra-school competitions each half term to promote team values linked to our team house point system.
- Swimming – swimming lessons for all children in years 3, 4 and 5
- Yoga Bugs – Reception children developing new skills linked to balance, co-ordination and core stability.
- Participating in national events including Sports Relief and Beat the Street
